**DEMONSTRATIONS PROTESTING UNITED
STATES INTERVENTION IN VIET NAM;
LAKE FOREST (ILLINOIS) PEACE COMMITTEE;
COMMUNIST INFILTRATION OF THE
STUDENTS FOR A DEMOCRATIC SOCIETY (SDS)**

On June 1, 1966, a reliable source advised that a group calling themselves the Lake Forest Peace Committee (LFPC) would hold a peaceful demonstration at the Chicago and Northwestern Railway Station, Lake Forest, Illinois, at 4:30 PM, June 2, 1966. The demonstrators will protest discrimination and closed housing, slum land, war in Viet Nam and war in general.

A second reliable source on the same date stated a number of Lake Forest College students believed to be from the SDS are involved in the proposed demonstration. This source stated that the SDS is an approved Lake Forest College campus organization but that the LFPC is not.

On June 2, 1966, Special Agents of the FBI observed six males and six females under the sponsorship of the LFPC begin a demonstration at 4:48 PM, June 2, 1966, at the Chicago and Northwestern Railway Station, Lake Forest, Illinois. This group was led by Lindley Burton, a Lake Forest College mathematics professor. The demonstrators silently carried signs protesting against the Viet Nam war and marched back and forth at the station.

This demonstration was counter-picketed by two males carrying signs reading "Win in Viet Nam" and "We Want More Reds Dead."

The entire demonstration which was peaceful terminated at 6:20 PM, June 2, 1966. There were no incidents or arrests.

It was noted that Lindley J. Burton was a current member of the Board of Directors of the Chicago Council of American Soviet Friendship (CCASF). b7d

**CHICAGO COUNCIL OF AMERICAN-SOVIET
RELATIONS, Formerly known as Chicago
Council of American-Soviet Friendship**

EDWIN GORDON FOX, 7147 Jeffrey Avenue, Chicago, Illinois, (now deceased) made available in January, 1954, the "First Annual Report CCASF," an undated publication which stated that the Chicago Council of American-Soviet Friendship (CCASF) was incorporated in July, 1943. This document stated, "The Council's affiliation with the National Council of American-Soviet Friendship (NCASF) was validated August 11, (1943). The present name was adopted to conform to standard national practice. It should be noted, however, that the Chicago Council is entirely autonomous; the government of its affairs rests exclusively in the hands of its Chicago Executive Board.

On April 8, 1965, a source furnished information to the effect that as of March 11, 1965, this organization would be known as the Chicago Council of American-Soviet Relations (CCASR). MANDEL TERMAN continued to be listed as Chairman of the organization.

During April, 1965, a second source advised that MANDEL TERMAN had arbitrarily dissolved the Board of Directors, assumed all financial and other functions of the organization, and was maintaining existing records of the organization at his residence, 660 West Irving Park Road, Chicago, Illinois. The aims and purposes of this organization continued to be to work for peaceful coexistence and friendship with the USSR. While it claimed to be an autonomous organization, its program followed the NCASF and it was in frequent contact with the NCASF.

On November 5, 1958, a third source advised that in the early 1940s, MANDEL TERMAN was a member-at-large of the Communist Party (CP) of Illinois. TERMAN was in Russia in November, 1958, where he had gone to discuss the treatment of Jews and to discuss Jewish culture in the USSR with the leadership of the Soviet Union.

CHICAGO COUNCIL OF AMERICAN-SOVIET RELATIONS

In January, 1966, a fourth source advised that the CCASR went out of existence in the Spring of 1965 due to the health condition of MANDEL A. TERMAN. The offices of the CCASR, formerly located at 32 West Randolph Street, Chicago, were for a short time carried at MANDEL TERMAN's home residence, 660 West Irving Park Road, Chicago. During the Fall of 1965, due to the defunctness of the CCASR, the CP of Illinois found it necessary to sponsor a rally honoring the 48th anniversary of the Russian Revolution under a temporary committee called "The Chicago Committee for American-Soviet Friendship Rally." This rally was held on November 7, 1965, and on the day the rally was held this temporary committee went out of existence.

The fourth source advised that as of the present time the CCASR is defunct in the Chicago area and any future rally to be held on the American-Soviet friendship theme will have to be organized by the CP of Illinois on a temporary basis.

The NCASF has been designated pursuant to Executive Order 120450.

PROGRESSIVE LABOR PARTY (PLP)
PROGRESSIVE LABOR MOVEMENT (PLM)

A source advised on April 20, 1965, that the PLP, formerly known as the PLM, held its first national convention April 15-18, 1965, at New York City, to organize the PLM into a PLP. The PLP will have as its ultimate objective the establishment of a militant working class movement based on Marxism-Leninism.

"The New York Times," City Edition, Tuesday, April 20, 1965, page 1, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP. The PLP was described as an outgrowth of the PLM. Its officers were identified as MILTON ROSEN, New York, President, and WILLIAM EPTON of New York and MORT SCHEER of San Francisco, Vice Presidents. A 20-member national committee was elected to direct the party until the next convention.

According to the article, "The Progressive Labor Movement was founded in 1962 by Mr. Rosen and Mr. Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

The PLP publishes the "Marxist-Leninist Quarterly," a theoretical magazine; "Progressive Labor," a monthly magazine; "Challenge," a New York City newspaper; and "Spark," a west coast newspaper.

The June 1, 1965, issue of "Challenge," page 6, states that, "this paper is dedicated to fight for a new way of life—where the working men and women own and control their homes, factories, the police, courts, and the entire government on every level."

The source advised that the PLP utilizes the address of General Post Office Box 808, Brooklyn 1, New York; but also utilizes an office in Room 622, 132 Nassau Street, New York City, where PLP publications are prepared.

MAY 2 MOVEMENT

A source advised on March 3, 1965, as follows:

The May 2 Movement (M2M) is the name used by the May 2 Committee which was organized on March 14, 1964, at New Haven, Connecticut, by a group of young people participating in a symposium, "Socialism in America," being held at Yale University. The original aim of the M2M was to plan and execute a demonstration in New York City on May 2, 1964, demanding withdrawal of United States troops from Vietnam.

The M2M is dominated and controlled by the Progressive Labor Party (PLP) and has as its aims and purpose the embarrassment of the United States Government by meetings, rallies, picketing demonstrations and formation of university-level clubs at which a Marxist-Leninist oriented approach and analysis are taken of United States domestic and foreign policies.

This source advised on May 19, 1965, that the current headquarters of the M2M is 640 Broadway, New York City, Room 307.

COMMUNIST INFILTRATION OF THE

SOCIETY (SDS)

The June 27, 1966, edition of "Newsletter", published by Jobs for Income Now (JOIN), a community action project of SDS, revealed that a protest demonstration against Raymond Hilliard, Head of the Cook County, Illinois Welfare Office, 318 West Adams Street, Chicago, would be held on June 30, 1966.

According to the above "Newsletter," JOIN was issuing a call for persons to assist welfare recipients in a march from the North Side and South Side of Chicago to Hilliard's office.

The article continued by stating that a rally would be held at Hilliard's office culminating the march where demands would be made for a new public aid system. This march on welfare is to be a part of a nationwide effort in 16 cities to protest "Rotter welfare, low budgets, case worker mistreatment and unjust regulations." The article also pointed out that "We are going to demand that Hilliard give people what they have a right to, start changing welfare, and meet with us regularly so we can tell him how bad welfare is."

June 3, 1968, a march would begin at the JOIN headquarters, 4533 North Sheridan Road, to the offices of Raymond Hilliard where participants would unite with a group from the South Side of Chicago known as the Kenwood-Oakland Community Organization (KOCO). It was expected that approximately 100 marchers would turn out from each group and upon arrival at Hilliard's offices five members from each organization would go to force a meeting with Hilliard to give him an ultimatum to do something about the welfare situation in Chicago within three weeks.

It was further learned that no particular organization was sponsoring this activity and these organizations would be acting in unison on this project. Complete details regarding the marches throughout the United States could be obtained through the Poverty Rights Act Center (PRAC), 1713 R Street, N.W., Washington, D.C., telephone 202-462-8804. PRAC was described as an independent organizations which would coordinate information concerning cities involved in the above activities.

A fact sheet issued by PRAC indicated that the following areas would participate in protest demonstrations against welfare agencies:

Cleveland, New York, Boston, New Haven, Hoboken, Newark, Trenton, Philadelphia, Pittsburgh, Baltimore, Syracuse, Chicago, Louisville; Independence and Kansas City, Missouri; Los Angeles, San Bernadino, Monterey, San Luis; Obispo County, California; San Benito and Richmond, California; Mt. Vernon, New York; Santa Fe and Albuquerque, New Mexico; Denver, San Antonio, New Orleans, Miami, Buffalo and Niagara, New York.

On June 30, 1966, Special Agents of the Federal Bureau of Investigation observed a group of approximately 30 men, women and children depart from the headquarters of JOIN at approximately 10:40 AM. This group carried signs protesting the welfare system in Chicago. Some of these signs read:

"Our Sights Are On The Rights"

"22 Cent Meals - Means Hungry Kids"

"You Make The Rules, Recipients Suffer"

"We Want To Talk To Hilliard"

"We Want To Change"

"Recipients Have The Right To Organize"

MEMBER OF SUBJECT ORGANIZATION

The march was led by Harriet Stulman and Todd A. Gitlin, both members of the SDS and JOIN organizers. The demonstrators marched on the sidewalks to the downtown area of Chicago. There were also three automobiles bearing similar signs, as previously mentioned, which followed the marchers to the welfare office. Also, on the same date Special Agents of the Federal Bureau of Investigation observed approximately 30 individuals congregating at 1048 West 43rd Street, Chicago, Illinois, the headquarters of KOCO. At about 10:30 AM this group began to sing freedom songs for approximately 20 minutes and at 10:50 AM they proceeded to march on the sidewalks to the Loop area of Chicago. Participants carried signs protesting the handling of welfare cases and more marchers joined the demonstrators along the route to the welfare office. This group was led by Preston Harwell, Field Representative of the Coordinating Council of Community Organizations, and Reverend Joseph Barndt, Staff Member of KOCO. 141

This group, approximately 73 in number, arrived at the offices of Raymond Hilliard, 318 West Adams Street, at 2:00 PM.

where they joined the group from JOIN that had previously arrived. The demonstrators, which at no time exceeded more than 120 in number, peacefully picketed until approximately 4:00 PM and there were no incidents or arrests.

Literature passed out during the above marches and at the actual picketing itself consisted of a one-page flier entitled "We Are Marching For Our Rights." This literature was published jointly by JOIN and KOCO.

At the termination of the demonstration it was announced that the next demonstration would be a march on the State Capitol at Springfield, Illinois. The date of this march has not been set.

[REDACTED] advised that the W.E.B. Du Bois Clubs of America (DCA) has recently received commitments from the Student Non-Violent Coordinating Committee (SNCC), the National Committee to End the War in Viet Nam (NCEWVN) and the Students for a Democratic Society (SDS) that they will act as co-sponsors along with the DCA for the "March on Washington" which is scheduled to be held in Washington, D.C. on August 28, 1966. According to source, the purpose of this march is to bring the young working class to Washington, D.C. in order to emphasize the need to end the war in Viet Nam and also the dire need to carry out the programs of the war on poverty. Source further advised that the DCA is also endeavoring to obtain the support of the Congress on Racial Equality (CORE), however, to date no final commitment has been received from the CORE leadership.

Source stated that the DCA leadership has called for a conference to be held at its National Headquarters, 180 North Wacker Drive, Chicago, Illinois, on July 16, 1966, with representatives from SNCC, NCEWVN, SDS and CORE invited to attend. According to source the purpose of this conference is to further formulate plans for the forthcoming "March on Washington".

Characterization of the DCA is attached.

source has advised that on October 26-27, 1963, a conference of members of the Communist Party (CP), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-Leninist youth organization which would hunt for the most peaceful transition to socialism. These delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the youth organization was held from June 19-21, 1964, at 150 Gold Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are, "It is our belief that the nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all people of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-Communism to divide and destroy the unified struggle of the working people."

Over the Labor Day weekend, 1965, the DCA held a conference in Chicago, Illinois, and a new slate of officers was elected to the National Executive Committee (NEC) of the DCA. Since Labor Day, 1965, identities of those serving on the NEC has varied, however, according to a third source as of May, 1966, thirteen of the fifteen members of the NEC were members of the CP in the San Francisco Bay area.

As of May, 1966, the headquarters of the DCA was located at 1830 11 Street, San Francisco, California.

Mr. J. Edgar Hoover, Director
Federal Bureau of Investigation
Washington, D.C.

Mr. Hoover,

I am presently enrolled as a junior at Oregon State University here, and would like some information on an organization that has been recently seeking university recognition on our campus.

The organization in question is Students for a Democratic Society (SDS). They must be approved by our Student Committee in order to be recognized as a campus organization, and their case will be considered by that organization as soon as school resumes in late September.

It has been my understanding that this organization is a very undesirable one politically as well as ideologically, and I would like to have any knowledge about it that you could provide. As well as a statement from you, which I could pass to our Director of Student Activities in aiding him in his decision, I would greatly appreciate anything in the form of further information or a bibliography that your Bureau could provide. However, a statement from you would be of considerable value.

The organization on our campus exists as a branch of the campus YMCA-YWCA Round-Table, if that would be of any aid in identifying it, and spends large amounts of money here, despite the fact that it is new on campus and still rather small.

Thanking you greatly for any help in this matter, as well as any further references to related readings, I am

I have received your letter of July 6th and appreciate the interest that prompted you to write.

With respect to your inquiry, the only information I can furnish you regarding the organization to which you referred appears in my article, "Turbulence on the Campus," which I am enclosing together with some additional material which I trust will be of interest.

I might state that prior to becoming affiliated with any organization it is well to examine its aims and purposes and consider whether these are being accomplished by legal and orderly procedures.

Sincerely yours,

INFORMATION CONCERNING

[redacted] advised that a group calling themselves Chicagoans Against HUAC, planned a demonstration on July 9, 1966, protesting the House Committee on Un-American Activities (HCUA). The group was to meet at the former U.S. Court of Appeals Building, 1212 North Lake Shore Drive, Chicago, the site of HCUA hearings in May, 1965. The group would then march to the U.S. Federal Building, 219 South Dearborn Street.

On July 9, 1966, a Special Agent of the Federal Bureau of Investigation (FBI) observed eight males and one female gathered in front of 1212 North Lake Shore Drive, Chicago. At 12:30 PM, the group walked south on Lake Shore Drive, Michigan Avenue, west on Monroe, south on State, and west on Adams to the Federal Building, Adams and Dearborn. The group walked around the Federal Building twice and disbanded at 1:38 PM. A third source advised on May 5, 1965, that the original stated purposes for the CCDBR continue to be adhered to with RILEY continuing as the motivating force behind the Committee. PROGRESSIVE LABOR PARTY (PLP)
PROGRESSIVE LABOR MOVEMENT (PLM)

A source advised on April 20, 1965, that the PLP, formerly known as the PLM, held its first national convention April 15-18, 1965, at New York City, to organize the PLM into a PLP. The PLP will have as its ultimate objective the establishment of a permanent working class movement based on Marxism-Leninism.

The New York Times, City Edition, Tuesday, April 20, 1965, page 1, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP. The PLP was described as an outgrowth of the PLM. Its officers were identified as MILTON ROSEN, New York, President, and WILLIAM EPTON of New York and MORT SCHEER of San Francisco, Vice Presidents. A 20-member National Committee was elected to direct the party until the next convention.

According to the article, "The Progressive Labor Movement was founded in 1962 by Mr. Rosen and Mr. Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

The PLP publishes the "Marxist-Leninist Quarterly," a theoretical magazine; "Progressive Labor", a monthly magazine; "Challenge", a New York City newspaper; and "Spark", a West Coast newspaper.

The June 1, 1965, issue of "Challenge", page 6, states that, "the paper is dedicated to fight for a new way of life—where the working men and women own and control their homes, factories, the police, courts, and the entire government on every level."

A source advised that the PLP utilizes the address of General Post Office Box 808, Brooklyn 1, New York, but also utilizes an office in Room 622, 132 Nassau Street, New York City, where PLP publications are prepared.

REVOLUTIONARY COMMITTEE OF
THE FOURTH INTERNATIONAL

A source advised on September 9, 1964, that the Revolutionary Committee of the Fourth International (RCFI) was also known as the Spartacist Committee and the Spartacist Group. This source described the RCFI as being composed of former members of the Socialist Workers Party (SWP) who had split from the SWP and who were led by JAMES ROBERTSON. This source stated that the political unit has its main center in New York City, where it publishes "Spartacist" on a very irregular basis, but their formal meetings are held at least once a week.

A second source advised on March 4, 1964, that FARRELL DOBBS, National Secretary of the SWP, sent a letter to all SWP branches in February, 1964, in which he advised that the expelled leader of a minority faction of the SWP, JAMES ROBERTSON, announced on February 10, 1964, that his faction would publicly criticize the SWP and had followed this with a public organ called "Spartacist" in which they attacked the SWP.

The January-February, 1965, issue of "Spartacist," in its masthead described this publication as follows: "...published bi-monthly by supporters of the Revolutionary Tendency expelled from the Socialist Workers Party." This masthead sets forth that the editor of the publication is JAMES ROBERTSON and its main address is Post Office Box 1377, General Post Office, New York, New York.

A flyer dated April 17, 1965, issued by Spartacist reflected its address as Post Office Box 1377, General Post Office, New York, New York.

The SWP has been designated pursuant to Executive Order 10450.

STUDENTS FOR A DEMOCRATIC
SOCIETY (SDS)

A source, which collects security data in the Chicago area, advised on July 19, 1966, that a demonstration involving 50 individuals occurred at the offices of the Montrose Urban Program Center (MUPC), 901 West Montrose Street, Chicago. The pickets carried signs indicating they represented Jobs or Income Now (JIN), an action group of the SDS.

According to the source, the demonstrators protested the lack of job opportunities at the MUPC which is under the guidance of the Chicago Committee on Urban Opportunity. Source also stated the pickets were in protest of what they considered an unjust firing of an individual formerly employed in this program.

This demonstration began at 7:00 PM and ended at 10:00 PM and was peaceful. No incidents occurred nor were there any arrests made in connection with it. The pickets indicated they would resume picketing on July 20, 1966.

This source advised on July 20, 1966, that eight individuals picketed the MUPC office at the same address from 10:00 AM to 1:00 PM. The demonstrators carried signs and distributed leaflets identifying themselves as JOIN Community Union located at 4533 North Sheridan Road. The signs protested the MUPC's efforts in connection with the war on poverty. Several of the signs the pickets carried read "War on Poverty or War on Poor People" and "War on War on Poverty."

The leaflet distributed reads as follows:

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

STUDENT FOR A DEMOCRATIC SOCIETY

"We Protest Discrimination at the Montrose Urban Progress Center"

Racial Discrimination:

"No Negro Community Representative has been hired. A qualified Negro, Dovie Coleman, was denied a job without explanation."

Hiring Discrimination:

"People turned down for jobs can't get a reason. Carl Lorig was turned down for community representative without an explanation."

Political Discrimination:

"No employee can criticize the Urban Progress Center without losing his job. James Osbourne was fired for saying the 'War on Poverty' is more promise than action."

("WE DEMAND

- "1. Dovie Coleman, Carl Lorig, and James Osbourne be hired as poverty workers."
- "2. Hiring and firing policies no longer be secret. They must be made public and not work to discriminate on the basis of race, creed, nationality or political affiliation."

"JOIN Community Union

This demonstration ended peacefully and no incidents occurred nor were there any arrests made.

For the information of recipient offices, referenced information advises that the Students for a Democratic Society (SDS) will hold a national convention at the Methodist Camp Grounds, Clear Lake, Iowa, from August 24 to September 3, 1966. Arrangements were originally made for accommodations for 700 persons but this figure was later reduced to 100 persons.

exploit the policy of nonexclusion of subversives adopted by the CP and will utilize the convention to further the aims and objectives of these groups. It is imperative that the Bureau determine the extent of influence, domination, or control of the convention exerted by subversive elements and promptly disseminate all pertinent information developed in this regard to all interested Government agencies. In order to accomplish this objective, the following instructions are being set forth:

- (1) Recipient offices should determine through established sources in advance of the convention the identities of all individuals planning to attend the convention. The identities of these individuals together with suitable characterization of those having subversive affiliations should be promptly furnished to the Bureau, Chicago, and Omaha in form suitable for dissemination. Original and nine copies of letterhead memorandum (LHM) should be transmitted to the Bureau.
- (2) Information developed indicating planned participation in the convention by subversive groups should be furnished to the Bureau, Chicago, and Omaha by teletype followed by LHM for dissemination to interested agencies. Organizations mentioned in these teletypes should be documented unless a Bureau-approved characterization exists. Wherever possible, specific plans of these groups for participation in the Convention should be determined, including plans to submit proposals, hold caucuses, et cetera.

Airtel SACs, Omaha, et al
Re: COMMUNIST INFILTRATION OF
STUDENTS FOR A DEMOCRATIC SOCIETY

- (3) It is essential that informants who can identify and report on the activities of subversive elements be designated to attend the convention. Recommendations concerning attendance at the convention by informants should be promptly submitted to the Bureau. Include in these recommendations the extent of coverage which the informants will provide together with a list of anticipated expenses which will be incurred. Offices recommending that informants attend the convention should furnish to Omaha the code names to be utilized by the informants. Omaha should immediately advise all recipient offices of the telephone number to be utilized by the informants and the name of Agents to be contacted during the convention.
- (4) During the convention Omaha should submit to the Bureau a daily teletype summarizing the activities of each day's sessions. At the conclusion of the convention, Omaha should incorporate all pertinent information developed into a report. This report should contain a summary of the proceedings of the convention and particular emphasis should be placed on reporting information depicting the extent of participation in the convention by subversive elements. The identities of all subversive groups and individuals with subversive backgrounds should be included in this report.

The Bureau's responsibility to provide adequate coverage of this convention and promptly disseminate pertinent information cannot be overemphasized. All recipient offices are expected to afford this matter continuous aggressive investigative attention and to keep the Bureau advised of all pertinent developments.

SUBJECT: COMMUNIST INFILTRATION OF
STUDENTS FOR A DEMOCRATIC SOCIETY
INTERNAL SECURITY - C

The purpose of this memorandum is to advise you of the plans of the Students for a Democratic Society to hold a national convention 8/24 - 9/3/66 and to recommend that the field be alerted and instructed to afford the convention maximum coverage. We are also recommending that the Crime Records Division alert cooperative anticommunist news sources who may be able to publicize the participation of subversive elements in the convention as well as any immoral conduct on the part of the delegates.

Captioned organization is a militant "new left" youth group which claims a membership of over 5,000 members in approximately 150 chapters throughout the United States. This organization is planning to hold a national convention at a Methodist Camp Site at Clear Lake, Iowa, from 8/24 - 9/3/66. The last national convention which was held in June, 1965, at Kewadin, Michigan, was attended by representatives of the Communist Party, Trotskyites, and pro-Chinese communist groups and an anticommunist proviso was removed from the constitution by action of the convention. Sources who attended the convention reported that excessive drinking and sexual promiscuity was prevalent at the convention. In this connection, it should be noted that in December, 1965, Methodist Church facilities were utilized near Los Angeles, California, for a regional convention of this organization. Although Methodist officials were alerted concerning the nature of the organization, no apparent effort was made by them to prohibit the group from using the church facilities and sources again reported considerable immoral conduct on the part of the delegates to this convention.

It can be anticipated that the Communist Party and other subversive elements will take full advantage of this

convention to further their aims and objectives which in many respects parallel those of the Students for a Democratic Society. It is, therefore, essential that we afford maximum coverage of the convention to determine the extent to which it is influenced, dominated, or controlled by subversive groups. We are, therefore, alerting all offices having chapters of this organization within their division and are issuing instructions to these offices to afford intensified coverage of the convention through established sources.

In addition, because of the strong possibility that participants in this convention will engage in immoral conduct which, if publicized, could to some extent discredit the "new left" movement, and due to the likelihood that as in the past subversive groups will openly participate in the convention, we are recommending that the Crime Records Division alert cooperative anticommunist news sources regarding the forthcoming convention.

RECOMMENDATIONS

It is recommended that

(1) Attached airtel, which is directed to all offices having chapters of the Students for a Democratic Society within their divisions and contains instructions in line with the above observations, be approved.

(2) The Crime Records Division furnish pertinent information contained in this memorandum regarding the forthcoming Students for a Democratic Society National Convention to cooperative anticommunist news sources who are in a position to publicize the participation of subversive elements in the convention.

Reference is made to memorandum dated 8/2/66 from F. J. Baumgardner to W. C. Sullivan under above caption recommending that the Crime Records Division alert cooperative anticommunist news source relative to the national convention of the Students for a Democratic Society (SDS) which will be held in Iowa from August 24 to September 3, 1966. This student group is extremely radical in nature and has been infiltrated by the Party. At its 1965 convention, excessive drinking and sexual immorality were noted by informants.

Attached please find a memorandum setting forth the background of the SDS, emphasizing its subversive connections and the beatnik style behavior of its members.

RECOMMENDATION:

That the attached public source memorandum be furnished to friendly newspaper sources for the purpose of exposing the forthcoming convention of the SDS.

STUDENTS FOR A DEMOCRATIC SOCIETY

Upcoming Convention

The Students for a Democratic Society (SDS) plans to hold a national convention from August 24 to September 3, 1966, at a Methodist Camp Site at Clear Lake, Iowa.

The SDS is one of the most active, militant and aggressive groups of the "New Left" movement on university and college campuses. It is a youth group with active communist infiltration whose aims in many respects parallel the current Communist Party line.

Not only does the SDS contain subversive elements, but its previous conventions have reflected widespread moral laxity. The last national SDS convention was held in June, 1965, at Kewadin, Michigan, where it was reported that excessive drinking and sexual promiscuity were prevalent. Many SDS members believe in civil disobedience and have participated in demonstrations bitterly denouncing this Government, especially its policies in Vietnam. Among SDS membership are Beatnik types who wear sandals, long hair and dress in bizarre clothes.

Dark and

The SDS traces its ancestry to the Intercollegiate Socialist

Society which was founded in 1905. Recently, an SDS leader estimated that there are ~~about~~ ~~to~~ ~~memo~~ memo, dated 8-11-66, captioned 'Communist Infiltration of Students for a Democratic Society Internal Security - C'

SDS dues-paying membership at 4,000. This leader added, however, that the "actual active" membership was closer to 10,000 on some 100 campuses across the Nation.

The SDS constitution describes the group as composed of "liberals and radicals, activists and scholars, students and faculty," united to work toward a society in which "the people have control of the decisions which affect them and the resources on which they are dependent."

In the last several years, SDS has come to the front as one of the most militant and radical youth groups in the college student movement.

Activities

The SDS has participated in a great variety of agitation and propaganda activities.

For example, the SDS organized and co-ordinated the April 17, 1965, march from the White House to the Capitol in Washington, D. C., to protest U. S. involvement in Vietnam. On April 17 and 18, 1965, it was responsible for organizing an "Easter Vigil" at the LBJ Ranch, Johnson City, Texas, protesting U. S. policy in Vietnam. In addition, it has participated in numerous other protests and demonstrations on the Vietnam issue.

Most recently, from August 6 to 9, 1966, the SDS supported the Third International Days of Protest, in which demonstrations and rallies in many cities across the country were held. On August 8, 1966, individuals were arrested by United States Marine Corps guards and local authorities at the Naval Weapons Station, Concord, California. These demonstrators, who were protesting the manufacture of war materials, conducted civil disobedience by attempting to enter the base and obstructing the highway in front of it. Among those arrested were a member of the W. E. B. DuBois Clubs (communist front group for young people) and two members of the SDS.

SDS Convention, June, 1965

The last SDS national convention was held from June 9 through 13 at Camp Maplehurst, Kewadin, Michigan. Some 250 delegates were present representing such schools as the University of California at Berkeley; Pennsylvania State University; University of Texas; Vanderbilt University; Amherst College; Emory University; Michigan State University; University of Michigan; Florida State University; Harvard University; Boston College; University of Chicago and Wayne State University.

The camp facilities included cabins with five to eight bunks each. All facilities, including cabins and bathrooms, were coed, there being no discrimination with regard to race, sex or creed. This particular

arrangement drew protests from a few delegates! They termed it the work of "anarchists."

The facilities were described as filthy but befitting the delegates, the majority of whom went barefoot, unshaven and dirty and generally presented an unkempt appearance.

Such a Bohemian atmosphere was in line with the SDS's attitude of "defiance" - of what it considers "bourgeois" customs and opinions.

The entire convention was actually a workshop designed to promote radical social change in American society. One speaker denounced the "establishment" (meaning U. S. democratic society), asserting that this country was beginning "to sound like Hitler with all our atomic weapons." He asserted that the United States does not have a democracy. He went so far as to propose "chain-ins and sit-ins at major thoroughfares." "Just scare the living Jesus out of people," he said. During this appearance, he distributed copies of a communist trade union magazine published in Detroit.

Another member proposed an emergency crisis program to "tie-up" everything in Washington, D. C. Such a plan would involve people lying down in front of police and fire stations, stalling cars on expressways and having people dangle over expressways from overpasses.

Representatives from a number of subversive groups were in attendance. For example, among such organizations represented were: the Young Socialist Alliance, a youth group of the Trotskyite Socialist Workers Party; the Communist Party, USA; the Spartacists, a Trotskyite organization and the Progressive Labor Party, a pro-Chinese group. It should be noted that SDS has adopted a policy of nonexclusion of subversives.

Among comments made at this convention were the following - which will reflect the kind of outfit this is:

"When we have this Utopia where everybody only works two hours a day the process of redistribution of power and economy will take care of themselves."

"I propose a massive and organized violation of the Espionage Act of 1917 which makes it illegal to urge soldiers to desert or to jeopardize the war effort in any way."

"We are a socialist youth organ and consider ourselves a revolutionary organization whose members do not believe society can be reformed as it presently exists."

Communist Party, USA

The Communist Party, USA is today eager to exploit the student "New Left" including the SDS. The SDS is infiltrated by the Party and represents an area for Party recruitment. Also, it should be noted that DuBois members, representing the Party viewpoint, work closely with SDS.

members. For this reason, on occasions the Party has been able to utilize SDS in furthering its own line.

Since its founding in Port Huron, Michigan, in 1962, the SDS has exhibited a radical philosophy, urging attacks against what it calls the "power structure." Basically, this means the overthrow of our economic and political system of government.

Unfortunately, the holding of the forthcoming convention on church property lends a false aura of respectability to the SDS. In December, 1965, Methodist Church facilities were utilized near Los Angeles, California, for a regional convention of the SDS. On this occasion, considerable immoral conduct was reported on the part of the delegates.

The 1966 SDS convention is important since here will be laid the plans for the coming school year. College students throughout the country should be alerted as to the kind of group SDS actually is and how its activities are weakening the moral and spiritual fiber of our young people and promoting subversive elements.

The SDS has been extremely hostile to the military draft. At past meetings it has considered ways of registering objection to military service (especially in Vietnam), which would include harassment of military

recreation teams, demonstrations before homes of draft board
officials and filing of law suits. It is eager to find ways to stir up
agitation against the draft and to encourage male students to seek
ways to make it difficult for the Government to draft them.

PROGRESSIVE LABOR PARTY (PLP)
PROGRESSIVE LABOR MOVEMENT (PLM)

A source advised on April 20, 1965, that the PLP, formerly known as the PLM, held its first national convention April 15-18, 1965, at New York City, to organize the PLM into a PLP. The PLP will have as its ultimate objective the establishment of a militant working class movement based on Marxism-Leninism.

The New York Times", City Edition, Tuesday, April 20, 1965, page 1, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP. The PLP was described as an outgrowth of the PLM. Its officers were identified as MILTON ROSEN, New York, President, and WILLIAM EPTON of New York and MORT SCHEER of San Francisco, Vice Presidents. A 20-member National Committee was elected to direct the party until the next convention.

According to the article, "The Progressive Labor Movement was founded in 1962 by Mr. Rosen and Mr. Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

The PLP publishes the "Marxist-Leninist Quarterly," a theoretical magazine; "Progressive Labor", a monthly magazine; "Challenge", a New York City newspaper; and "Spark", a West Coast newspaper.

The June 1, 1965, issue of "Challenge", page 6, states that, "this paper is dedicated to fight for a new way of life—where the working men and women own and control their homes, factories, the police, courts, and the entire government on every level."

The source advised that the PLP utilizes the address of General Post Office Box 808, Brooklyn 1, New York, but also utilizes an office in Room 622, 132 Nassau Street, New York City, where PLP publications are prepared.

APPENDIX

APPENDIXNATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, North Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 793, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

On August 4, 1965, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue No. 72, dated November, 1965, of "The Thunderbolt" reflected Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

NATIONAL STATES RIGHTS PARTY
CHICAGO, ILLINOIS

A source advised on February 8, 1966, that the Chicago Branch of the National States Rights Party (NSRP) is located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago Branch of the NSRP was officially opened on December 9, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

RAYMOND LEO SCHULTZ, an organizer for the Chicago Branch of the NSRP, resides at 2237 North Western Avenue, Chicago.

The source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago Branch of the NSRP subscribes to the policies of the National Office of the NSRP. The NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP also believes that the Jewish people are financing many of the Negro demonstrations, and, therefore, the Jewish people are responsible for race mixing and the breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

The first source, an agency that collects security information in the Chicago area, on August 16, 1966, advised that at a meeting of open housing demonstrators held August 15, 1966, at the Warren Avenue Congregational Church, 3101 West Warren Avenue, Chicago, Illinois, Richard Criley, Secretary of the Chicago Committee to Defend the Bill of Rights (CCDBR), asked the assembled audience of 300 to 400 people to join in a protest demonstration at 12:30 PM, August 20, 1966, against the HUAC. This demonstration will be held at the Federal Building, 219 South Dearborn Street, Chicago, Illinois, under the sponsorship of the SDS. Open housing marches will not be scheduled on that date in order the civil rights workers may attend and participate in the demonstration.

A second source, who has furnished reliable information in the past, on August 16, 1966, furnished substantially the same information as the above source, and in addition advised that Richard Criley is to make a speech at the above affair.

COMMUNIST INFILTRATION OF THE-
STUDENTS FOR A DEMOCRATIC SOCIETY

On August 10, 1966, two sources stated that: That a Chicago group calling themselves the Uptown Goodfellows (UG) and members of Jobs Or Income Now (JOIN), the latter being the communist action group of Students for a Democratic Society (SDS) would march from JOIN Headquarters, 4533 North Sheridan Road, Chicago, Illinois, to picket the 20th District of the Chicago Police Department (Summerdale Station), 1940 West Foster Avenue, Chicago, Illinois, starting at 7:00 p.m., August 11, 1966. The purpose of the march is set out in the following literature obtained by the two sources from JOIN Headquarters:

- 1) Leaflet: "Is He Protecting You?" indicated the march was being sponsored by the UG.
- 2) Newsletter, Volume II, No. 15, August 8-14, 1966 issue published by JOIN, 4533 North Sheridan, which contains articles entitled, "March On Cops," "Do The Police Serve You" and "Doing Their Job?"

Leaflet "Wanted Out Of Uptown! Officer Sam Joseph - Badge 11383. This leaflet further states: "Does Sam Protect You? Or Does He Beat You?"

Copies of the above literature are attached.

Some 125 to 140 persons initially march from JOIN Headquarters, 4533 North Sheridan Road, Chicago, Illinois, at approximately 7:07 p.m. to the 20th District of the Chicago Police Department (Summerdale Station), 1940 West Foster Avenue, Chicago, Illinois. The group arrived at the station at approximately 8:20 p.m. after marching through congested areas of Uptown Chicago. The group carried signs and sang songs protesting alleged police brutality. They also urged the setting up of a civilian review board to handle charges of police brutality. At the police station five representatives of the group conferred with Captain Harry O'Donnell and other police officers while the remainder of the demonstration marched around the police station with their picket signs.

The thousand citizens, the majority of whom were friendly toward the police and in particular to Sam Joseph, watched the demonstration at the police station. The demonstration was peaceful and there were no arrests. There were a few minor incidents such as egg throwing by sympathizers for the police, who outnumbered the demonstrators.

The above demonstration broke up at 9:30 p.m. with the police escorting the majority of the demonstrators back to JOIN Headquarters with hecklers following.

Literature similar to that furnished by the two sources previously mentioned was passed out during the above march and picketing demonstration.

The following picket signs were carried by the demonstrators:

Persons observed participating in instant demonstration
by the Sp Agents were as follows:

Carl Kiasinger
R. S. Bar
J. J. Jung
K. J. James
Ed Gitlin
Steve Goldsmith
Richard Rothstein

On August 15, 1966, a third source, an agency which
collects security information in the Chicago area, furnished the
following information concerning the above demonstration:

100 p.m. 12 demonstrators were observed in
front of JOIN Headquarters, 4533 North
Sheridan Road.

20 p.m. Steve Goldsmith, who was in charge of
leaflet distribution, was observed
distributing leaflets on the west side
of Sheridan Road.

Re: COMMUNIST INFILTRATION OF THE
STUDENT FOR A DEMOCRATIC SOCIETY

5 p.m.

Edward (Ed) Steinman from observation was in charge of this demonstration, and at this time he was seen conversing with Irving Birnbaum on the west side of Sheridan Road, opposite 4533 North Sheridan.

10 p.m.

The demonstrators now totaled about eighty persons, with only two Negroes observed in the group.

10 p.m.

At this time it was noticed that Laurie Collins and Ed Steinman were ordering the marchers to pick out a placard and get ready for the march.

10 p.m.

The group now totaled approximately one hundred and twenty five (125) demonstrators, including four or five Negroes or Puerto Ricans.

5 p.m.

The demonstrators carrying placards now began to march to Summerdale (20th Dist.) police station at Winchester and Foster Avenue. They walked north on Sheridan Road to Wilson Avenue, then west on Wilson to Racine, then into North Broadway to Foster.

10 p.m.

The demonstrators arrived at the above destination at this time, and were met by a large group of hecklers who stayed in the vicinity of the police station where they remained to heckle and taunt the demonstrators who at this time started to circle the police station.

Re: COMMUNIST INFILTRATION OF THE
STUDENTS FOR A DEMOCRATIC SOCIETY

10 p.m.

An interview was granted by Captain Harry O'Donnell and five delegates from the dissident group entered the police station.

10 p.m.

With the interview over and an announcement was made at this time that no satisfaction was given them by Captain O'Donnell, so a march would have to be undertaken to the offices of Police Superintendent Orlando W. Wilson at 1121 South State to protest "police brutality." No date of the contemplated march was set.

10 p.m.

The group departed in an orderly manner and marched East back to North Sheridan Road to their headquarters without incident.

Persons observed by the third source in the above demonstration were as follows:

Edward (Ed) Steinman
Irving Birnbaum (He appeared to be acting as the
consultant and legal advisor for the group)
Eve Goldsmith
Eric Collins
Edward Applehans
Nath Applehans
Eric Collins
Mark Kissinger

the following persons from UC were among the five persons who were
granted an interview, by Captain Harry O'Donnell:

1. Jim Curry
2. David Purdue (the leader)
3. Ralph Thurman

Source advised that the UC is a neighborhood gang in the
Uptown area that the 20th District Police had almost
completely taken up. The remainder of this group ever since has
been greatly angered with the police department. According to the
fourth source had learned that a number of the people
originally joining the demonstration marchers had been paid by
UC and/or to participate. Source stated that many of the people
who had received money to participate dropped out along the way at
nearby taverns and never got to the police station. In addition to
the UC, men named above, two other individuals, both from JOIN
named Bob [unclear] and Ed Steinman participated in the interview with
Captain Harry O'Donnell.

1. "Chicago-Sun Times, a daily Chicago newspaper,
August 12, 1966 issue in an article by Richard Foster entitled,
"Southern Migrants March In Uptown, Charge Brutality" states that
a group of southern migrants and their supporters marched
through the town area of Chicago to the Summerdale Police Depart-
ment on August 11, 1966 protesting "police brutality."

Re: COMMUNIST INFILTRATION OF THE
STUDENT FOR A DEMOCRATIC SOCIETY

Article states in part:

"The young demonstrators, who said they had collected 50 affidavits charging police brutality, sang and chanted as they marched along North Side streets. Traffic was slightly disrupted, but a contingent of twelve policemen prevented any serious trouble.

"At the station, while six of their leaders met with District Comdr. Harry R. O'Donnell, the demonstrators were jeered by a crowd of neighborhood youngsters screaming epithets. No incidents of violence were reported.

"The demonstrators were led by Ralph Thurman, chairman of the Uptown Good Fellows, and an organization composed mainly of young Southern and Appalachian white migrants to Chicago.

"Representatives of the Tenants' Action Council and JOIN Community Union also took part.

"The demonstrators directed much of their displeasure toward Patrolman Serges (Sam) Joseph, one of the department's most decorated officers. They called for either his transfer or dismissal, alleging he was the worst offender among Summerdale District policemen when it came to police brutality.

"Joseph 37, went before a police disciplinary board last year, accused of brutality. Supt. Orlando Wilson dismissed the charges against him.

Re: COMMUNIST INFILTRATION OF THE
STUDENTS FOR A DEMOCRATIC SOCIETY

"The demonstrators also called for establishment of a civilian police review board, an appointment with Wilson and an open hearing on 'police brutality'.

"After the meeting with O'Donnell, Thurman said 'Their (the police) method of processing (brutality complaints) doesn't sound too efficient.'

"O'Donnell, after the meeting, said 'complaints and bouquets' about the policeman.

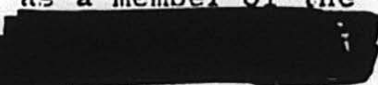

"He called Joseph an 'excellent' policeman, but declined to answer when asked if he would recommend that Joseph be transferred or fired.

"O'Donnell said he himself is 'powerless' to act on the complaints. He promised, however, that the grievances will be forwarded to police headquarters."

that Kissinger, the National Secretary of SDS, in addressing the SDS National Convention in Michigan on June 13, 1965, presented a program called "Kissinger Project" or "Kissinger's Kamikaze." In this program Kissinger proposed that SDS members deliberately violate the Espionage Act of 1917, certain provisions of the Smith Act of 1940, and specific codes of the Military Code of Justice, by SDS members entering a United States Military base and passing out leaflets which would demoralize the servicemen; and suggest that they desert and adopt devious means to avoid service and direct participation in the Viet Nam war.

The third source advised that Silbar was arrested May 27, 1965, by the Chicago Police Department in connection with a demonstration in protest of House Committee on Un-American Activities hearings being held in Chicago. APPENDIXW.E.B. DuBOIS CLUBS OF AMERICA (DCA)

A source has advised that on October 26-27, 1963, a conference of members of the Communist Party (CP), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are: "It is our belief that this nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-Communism to divide and destroy the unified struggle of the working people."

Over the Labor Day weekend, 1965, the DCA held a conference in Chicago, Illinois, and a new slate of officers was elected to the National Executive Committee (NEC) of the DCA. Since Labor Day, 1965, identities of those serving on the NEC have varied; however, according to a third source as of May, 1966, thirteen of the fifteen members of the NEC were members of the CP in the San Francisco Bay area.

As of July, 1966, the headquarters of the DCA was located at 180 North Wacker Drive, Chicago, Illinois.

of Chicago (DCC)

On May 3, 1965, a source advised that on June 30, 1964, a group of young people who attended the founding convention of the W.E.B. DuBois Clubs of America (DCA), met in Chicago and adopted a statement of purpose and constitution forming the DCC as an affiliate of the national DCA.

This source further advised that at a meeting of the Chicago Area of the Midwest Region of the DCA held April 3, 1965, the boundary of the Chicago Area was established to include all of Illinois north of Springfield, Illinois, and all of Indiana. At this meeting, TED PEARSON was elected Area Coordinator.

A second source advised on May 9, 1966, that as of May, 1966, TED PEARSON, Chairman of the Youth Club of the Communist Party (CP) of Illinois, continued to be the Chicago Area Coordinator of the DCA, and the official headquarters is located in the PEARSON apartment, 1808 North Cleveland Avenue, Chicago, Illinois.

The second source advised that there are currently two clubs operating in the Chicago Area, one on the west side and the other on the near north side. The west side club operates a club house known as the West Side Freedom Center at 2908 West Madison Street which is open seven days a week to the teen-agers on the west side.

TAKEOVER 4240! MARCH ON CO

By Samuel Collins
10 Kenmore

Another slum building in Uptown is being repaired and made a better place to live by the help of the Community Union.

We had a rent strike at 1240 N. Kenmore the 18th day of July. This 21 apartment building belonging to Jacob Sampson of 5823 N. Clark was in such bad shape that the welfare would not let recipients move in. We got a signed agreement with Sampson to repair the building and bring it to city standards.

After eighteen days had passed, Mr. Sampson had done nothing to fix the building in any way. The landlord failed to live up to his word. Because he broke the contract the tenants living in the building took the building away from the landlord. They are fixing it themselves using their own rent money. The arbitration committee gave the tenants the right to take this action.

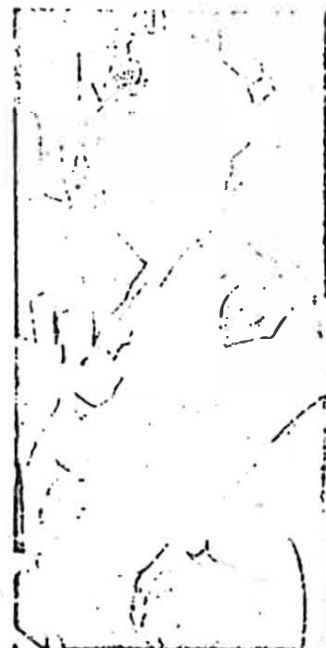

The arbitration committee appointed me Samuel Collins to collect the rent and turn it over to the arbitration committee to be used for repairs and paint on the building. After the building gets repaired to both city and JOIN specifications, then Mr. Sampson will get the building returned back to him. At this time the building will be in much better shape and a much better place to live.

At this time the outside of the building has been cleaned and readied for the painting of the windows. We're also getting the halls repainted. The wiring and the plumbing is also in the process of being repaired and replaced. We have people who live in the building doing most of the labor. We also have JOIN members coming in to help fix up the building.

We hope to have this building finished and in good shape in from four to six weeks. There has never been any outfit more helpful than JOIN Community Union. And if any body has any problems of any kind they should get in touch with JOIN -- I'm sure they can help you.

THURSDAY NIGHT, AUGUST 11, at 7:00 in the evening there will be a march on the Summerville Police Station. The march being held to protest Police Brutality other violations of the law by the Po in Uptown. People should be outside 4240 N. Sheridan (the JOIN office) at 7:00 begin the march.

The march is being sponsored by the Uptown Goodfellows, a group of young people want to improve the conditions of Uptown. One of the worst problems in Uptown police brutality, so we will march to demand: 1. an end to police brutality Uptown; 2. a citizens review board, made up of people from the neighborhood, has the power to fire bad cops; and 3. immediate removal of Sgt. Joseph Uptown. Only when the police agree these demands will living conditions Uptown get better. continued p. 2

DO THE POLICE SERVE YOU ?

This was written by a young man from the neighborhood.

As long as the people of Uptown do not have control over the police police brutality will continue. The police will also continue to back up landlords who violate the law every day by plugging doors and evicting tenants without following the legal eviction procedures. Because police are responsible only to the rich people and bigshots that run Uptown - but don't live here - they feel that they can harass and beat people who are poor. Police have no respect for poor people - people from the South, Spanish speaking people, and Negroes.

The police don't have the interest of the people of Uptown at heart. This makes the police like a foreign army occupying Uptown.

This makes Uptown like a foreign colony which is controlled by people outside who don't care about the people who live here.

So, if we want to end the great amount of police brutality in Uptown, and get the police to follow the laws instead of pushing the poor around, we must get the power to control the police, and to control Uptown. The way to get this power is to organize, to get together in a strong Community Union, in order to

win elections for candidates who really represent the interests of the people who live here and in order to get justice from landlords, stores, the welfare office, and day labor hiring halls.

When we organize we can demand a citizens review board and other changes in the department that will make cops pay attention to the people of Uptown. Only when people have real democratic control over the police can the brutality and other injustices be stopped. Let's try to gain POWER TODAY and end bad police treatment!

MARCH ON COPS continued

Some people don't believe that there is police brutality in Uptown, but most everyone has had a friend or relative treated wrong by the cops. For example, on Saturday night, August 6, on the corner of Poland and Harrison at least six cops (some witnesses say more) beat a man whose hands and feet were handcuffed. When the man begged the cops to stop they hit him some more. A witness got some of the badge numbers; they are 19, 3093, 10534, 10965, and 1067. This is not an unusual incident.

Another example on Sunday morning, August 7 a cop stopped a lady, dumped out her laundry bag and when she protested the cop slapped her and called her names. These two scenes are not unusual from incidents that occur all the time.

To stop this brutality we have to control the police and this is why we are marching to demand a citizens review board, made up of local people with the power to fire bad cops, like Sam Joseph. We tried to get to see Commander Donnel, the head of Summerdale, but he kept giving us the run-around. For this reason we cannot believe that he cares about hearing the people's

problems. So we have to march to him and tell him how serious we are that police brutality must stop and the cops must treat the people of Uptown with dignity and respect.

Also, because some police have violated the law and gotten away with it, we must demand that citizens who know the problems in the neighborhood, have control over the police. And in order for O'Don to show he will try to correct the bad situation we demand that Sam Joseph be removed because he is about the worst cop Summerdale, and that's pretty bad. He beats people all of the time for no reason. That's against the law!!!

People all over Chicago have been talking about police brutality and the cops have been ignoring it. What happened on the West side and in Humboldt Park are the results of cops ignoring people. We do want a riot to happen in Uptown, so we decided to march and demand that the police begin to take action in accordance with the law, and in respect of the little people who live in Uptown.

DOING THEIR JOB

THE SALT OF

the Earth

We are not members of the JOIN organization but we would like to express our opinions in your newsletter.

Last night, at 6:00 about 7:00 the police was summoned to an apartment building on the corner of 9th and 1st. A man of about 45 years old had committed some kind of misdemeanor. The police officer struck him several times with his billy club and jabbed him in the stomach with the butt of the gun. Two policemen let him out of the front entrance.

There he was hit by three more policemen. They began hitting him. One of them hit him with his fist. Naturally the man began struggling with the cops to protect himself. This was a mistake on his part as they then started radiating for more reinforcements.

Soon they had the man down in the street. He was held to the curb. He was handcuffed. One cop held his knee on the man's head while the other four held his feet, arms, and chest. The man kept pleading that if they let him up he wouldn't get any more trouble, but they would kick him or hit him again.

When all of the spectators that was standing around began to yell "Turn him loose," the police told them to shut-up, that they were doing their job and they were going to hold him until the paddy wagon arrived. By this time there were eight squad cars and eleven policemen.

One bystander asked the officers for their badge numbers. One of them gave him his but others refused. He said if he wanted it he would have to come down to the station for it.

After watching this mockery for about 15 minutes, Loretta Riddle of 904 W. Island asked them why they couldn't let him up. The officer's reply was "Shut-up lady--if you don't like it why don't you come and help him up?" Then a few more people started voicing their opinion. But the cops would only dare them to come and get a little bit of it too.

Then the paddy wagon came the cops picked the man up by his foot (which were now handcuffed too) and his arms and then threw him bodily into the back and slammed the door on his legs with their full force. Another man tipped his hat and yelled "Huro" to them. The car went then went over and said "OK big mouth--you too" and threw him in the wagon with the other man. They closed the doors and then wired them shut and drove off.

We would like to end this by saying we have read your JOIN letters on police brutality, but we seriously doubted you in our minds. Most of us all said to ourselves, OK now JOIN must be stretching it just a little. But after witnessing this incident last night, it has made a believer out of us. And let us add, we will be right beside all of you JOIN members on your march against the Sumnerdale station this thurs. night. Now may we thank you for letting us blow off a little steam.

(Loretta Riddle, Evelyn Thorne Patricia Benton, Calvin Thorne Robert Webb, W.A./Riddle, John Jenkins).

By Mrs. Alcantar

On last Friday night John and I saw a movie called "The Salt of the Earth" at the Lohman picture. It was about how poor New Mexico asked for better conditions in the mines. They were poor Mexicans and laughed at and told they work like that or quit.

But there are always persons that don't like to be ed around. So they for prompt men to picket for rights. They suffered from hunger and cold. Their hands beat up and thrown in jail still they stuck to their and they did not stop fighting for their rights.

Their women also helped in being a picket because they could not picket without arrested. Their women thrown with tear gas and jail. And still they stop the poor people from little mining village. Families from other places came also to stick together fight for better ways of and safe ways for work in the mines. It took many hardships, but these stuck together no matter how hard things got.

This story does not end, up to this date people are fighting for their rights better conditions. Right in Uptown more and more are sticking together to fair shake.

UNEMPLOYMENT

(Written by Southern Women
who is a member of JOIN)

A recent survey of a 5 block area in Uptown shows that 52% of the people interviewed have jobs. Out of 1,139 people 619 are employed. Only 92 people are on public aid - less than 10% of the total. The average weekly income is \$71.15 for all time employment. Part time workers averaged \$0.91.

What do these statistics prove? First of all, they show unemployment is high in Uptown. Second, they show that only a small percent of the unemployed are on Welfare. Third, they show that even those who have jobs are underpaid.

The problem of unemployment in Uptown is a very serious one. There are a lot of jobs in the suburban areas but often the unemployed in Uptown do not have transportation to these jobs. These jobs are usually good paying ones and often beginners or unskilled are given on-the-job training. Better public transportation to the suburbs would be a big help. A part of the unemployment problem would be solved if more Chicago employers were willing to give on-the-job training. Many unskilled or semi-skilled jobs disappeared due to automatic machines. We fully support a federal minimum wage law of \$2.00 an hour instead of the present \$1.25.

Not included in the survey were housewives who would be interested in working if they had babysitters for their children. Many of these women have skills and are employable. A day care center is needed for Uptown that would provide adequate care at a small charge. This could be provided and paid for by War on Poverty funds. A day care center would also provide additional employment for this area.

When is the War on Poverty going to provide a day care center so that women who want to can work? Maybe they don't want to set up such a center because there really aren't that many jobs available. How come there aren't enough decent paying jobs for all those who want them?

WANTED OUT OF UPTOWN!

OFFICER SAM JOSEPH — BADGE 11383

For treating people of Uptown illegally. These are true statements from people of Uptown about his actions:

On Leland, --- "He (Sam Joseph) said he would beat my head in."

"At Summer, he (Sam Joseph) hit me four or five times... Sam and four other cops whipped my friend."

At Eva's Restaurant --- "He (Sam Joseph) told me to get out in front of the restaurant or go to jail. I asked him for identification. He told me again and I told him if he did not show me any identification I was not going anywhere. Then he jumped out of the car with a blackjack and beat me in the head with it. Then they drove off."

This is what he says to people in Uptown:

"He (Sam Joseph) was going to clean up the park if he had to bust our heads, shoot us or throw us in the lake. There wasn't one name he didn't call us."

"Sam said, 'If I catch you on Wilson Ave., I'll kill you.'"

DEMONSTRATION PROTESTING UNITED
STATES INTERVENTION IN VIETNAM
INFORMATION CONCERNING
INTERNAL SECURITY

Observation by a Special Agent of the Federal Bureau of Investigation reflected that on September 22, 1966, a convocation marking the 200th anniversary of Rutgers University, New Brunswick, was held in New Brunswick, New Jersey. Vice President of the United States Hubert Humphrey was the principal speaker on this date and was awarded an honorary Doctor of Law Degree. Prior to and during the convocation ceremony approximately 35 pickets representing Women Strike for Peace (WSP) and Students for a Democratic Society (SDS) marched on George Street, New Brunswick, New Jersey, carrying signs and placards which protested United States intervention in the Vietnam war. Among those signs were the following:

"End the War in Vietnam"
"Peace - When"
"Johnson - Humphrey - Wanted for Fraud"
"Stop This Senseless Killing"
"Stop the Bombing"
"Humphrey - Killer Hawk"
"We Protest Rutgers Involvement With
Johnson's War"
"Support Your Vice Assassinator"

Another sign captioned "Blood Finger Johnson" bore a likeness of President Johnson holding a machine gun.

Among those pickets were some members of the Rutgers faculty and Anna Laconich of the WSP.

DEMONSTRATION PROTESTING UNITED STATES INTERVENTION IN VIETNAM

When Vice President Hubert Humphrey began to speak following the conferring of his honorary degree, approximately 55 students left their seats among the audience and walked to George Street, New Brunswick, where they joined the pickets previously mentioned. The picket line was now expanded to the area of Hamilton Street and College Avenue, as well as George Street, New Brunswick. There was no picketing on the campus proper.

There was no indication of participation by the New Brunswick Committee to End the War in Vietnam, although "The New York Times", September 21, 1966, published daily at New York, New York, contained an article stating that the New Brunswick Committee to End the War in Vietnam would also be among the organizations participating in the picketing.

The entire group of picketing students and faculty was orderly in nature. Following the walkout of students from the convocation, Stuart Berman, who identified himself as the President of SDS at Rutgers, was interviewed by news media for his comment on the walkout. He advised the news media that he was protesting the United States Government's involvement in the war in Vietnam and was not walking out on the university bi-centennial celebration or on Vice President Hubert Humphrey.

RE: COMMUNIST INFILTRATION OF SDS
HUAC DEMONSTRATIONS BY CRM - SCLC

Richard Criley, Chicago Committee to Defend the Bill
of Rights (CCDBR)
Franklin Alexander, W.E.B. DuBois Clubs of America (DCA)
Jane Adams, National Secretary of SDS
Peggy Terry, Jobs Or Income Now, the community action
program of SDS
Earl Silbar, American Friends Service Committee (AFSC)
Anthony Henry, AFSC
Richard Flacks, University of Chicago Professor
Todd Gitlin
Joffre Stewart

The above speakers and the literature passed out at the
above meeting condemned HUAC hearings, the war in Viet Nam and
the recent obtaining of an injunction by Chicago's Mayor Daley which
limits future civil rights demonstrations in the City of Chicago.
The speakers felt that Mayor Daley's action was an unconstitutional
act against the civil rights movement and the right to dissent.

At the above demonstration there was a minor incident
which involved hecklers from the American Nazi Party (ANP) who went
into the crowd and denounced the meeting and speakers as "communists".
These hecklers were removed by the police and no arrests were made.

A source, who has furnished reliable information in the
past, on August 20, 1966, furnished substantially the same infor-
mation as above.

Additional information concerning James West is set out
on page seven of this memorandum.

On August 23, 1966, a second source, an agency which
collects security information in the Chicago area, advised that
the SDS rally and demonstration in protest against the HUAC began
at 12:50 AM, August 20, 1966, in the plaza of the Federal Building,
219 South Dearborn Street, Chicago.

According to this source Jay Miller, using an electronic
megaphone, urged the crowd of approximately 120 persons to gather in

center of the plaza for the purpose of starting the rally. Miller explained that he was scheduled to be master of ceremonies, but he would have to leave in view of another commitment and Professor Maxwell Primak of IIT had agreed to fill in for him.

This source stated that Professor Primak introduced all of the speakers and identified the speakers substantially as reported above.

This source stated that at 1:45 PM, Captain John Patler and Lieutenant Chris Vidneuvich of the ANP, dressed in civilian clothes, walked through the audience and began to level verbal insults at the speakers. They caused confusion which resulted in the major part of the audience leaving. The verbal insults consisted of the usual anti-communist cliches, such as "Communism is Jewish," "You're Stabbing Our G.I.s in the Back," etc. John Rossen grabbed Patler by the arm and called him a "dirty Nazi," and Patler threatened to punch him in the nose if he did not let his arm go. George Lincoln Rockwell of the ANP stood in the background and watched. Several minutes later all three Nazis entered a vehicle and departed.

[redacted] b7c
He was charged with violation of Section 722-3; 722-3; and 1851 of Penal Law (disorderly conduct and resisting arrest). Gitlin was picketing in front of Chase Manhattan Plaza, along with others who represented the SDS. They were protesting Chase Manhattan Bank's financial backing of "brutal South African tyranny".

the major issue would be the draft. The program should be a long-term one. Gitlin said that what SDS would try to do is to meet the draft head-on and fight it even though it means going to jail. Gitlin said that it is not enough for SDS to think of ways just to dodge the draft. He said that SDS is trying to disrupt the war effort in that any anti-draft stand is basic to the stand against war. Gitlin further advised that no draft means no man power to fight the war. He further advised that the draft is undemocratic in nature and is like war itself. It exists only to make money for the war merchants, and that the draft movement should be related to civil rights with all of the campuses attacking the draft. Gitlin further stated that college chapters should question the legitimacy of forced ROTC programs where they exist and that SDS should set up protest booths near military recruitment booths on college campuses.

Joffre Stewart

The "Chicago Tribune", a Chicago daily newspaper, March 19, 1966, carried an article entitled "Spits On, Rips American Flag." This article revealed that on March 18, 1966, Stewart, who has renounced his citizenship, shocked people by his action of desecrating the American flag at a meeting of the Purdue University, Lafayette, Indiana SDS Chapter. He did this to represent his view of being against all kinds of nationalism.

AMERICAN NAZI PARTY,
CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. GEORGE LINCOLN ROCKWELL, National Commander, ANP, took charge of this meeting.

On May 22, 1966, MATTHIAS KOEHL, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject to the final authority of GEORGE LINCOLN ROCKWELL and ANP National Headquarters.

A second source advised on January 6, 1966, that the Chicago Branch of the ANP is currently located at 1314 West Ohio Street, Chicago, Illinois.

A characterization of the national organization follows.

AMERICAN NAZI PARTY OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO
KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

On September 16, 1965, the source advised that George Lincoln Rockwell believes he has completed the first three phases in his struggle for power and is now into the fourth stage, to wit, the "attainment of power through the votes of the newly-won masses." The source stated Rockwell believes this because of his success in gaining a place on the ticket in the November, 1965, gubernatorial election in the State of Virginia.

FAIR PLAY FOR CUBA COMMITTEE,
CHICAGO CHAPTER

A source advised in October, 1960, that the Chicago Chapter of the Fair Play for Cuba Committee (FPCC) was formed during the summer of 1960 at Chicago, Illinois, under the direct guidance and leadership of Richard Criley, a member of the State Committee, Communist Party (CP) of Illinois.

A second source in August, 1960, furnished a leaflet entitled, "What Is Really Happening in Cuba?" distributed by the FPCC in Chicago. The aims and purposes of the FPCC as set forth in this leaflet include the following: "To disseminate the truth, to combat untruth; to publish and distribute factual information which the United States mass media suppresses. In general, to contribute to foundations for peace, friendship, and understanding between ourselves and the Cuban people." The leaflet reflects the FPCC plans to accomplish these aims: "By mailing of informational bulletins; organizing public meetings and forums; providing speakers, movies, and slides for meetings of interested organizations, placing ads in newspapers; to visit Cuba and see for themselves what conditions really are."

A third source advised on March 9, 1964, that there has been no activity of the FPCC in Chicago since late November, 1963, and for all intents and purposes the organization is defunct.

The mailing address for the FPCC, Chicago Chapter, is Post Office Box 4474, Chicago 80, Illinois.

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contained a full-page advertisement captioned "What Is Really Happening in Cuba," placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. Charles A. Santos-Buch identified himself and Robert Taber as organizers of the FPCC. He also testified he and Taber obtained funds from the Cuban Government which were applied toward the cost of the aforementioned advertisement.

On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. This source added that during the past year there had been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that their influence as of May, 1963, was negligible.

The SWP has been designated pursuant to Executive Order 10450.

On May 20, 1963, a second source advised that Vincent "Ted" Lee, FPCC National Office Director, was then formulating FPCC policy and had indicated that he had no intention of permitting FPCC policy to be determined by any other organization. This source stated that Lee believed that the FPCC should advocate resumption of diplomatic relations between Cuba and the United States and should support the right of Cubans to manage their revolution without interference from other nations. Lee did not advocate supporting the Cuban revolution per se.

PROGRESSIVE LABOR PARTY (PLP)
PROGRESSIVE LABOR MOVEMENT (PLM)

A source advised on April 20, 1965, that the PLP, formerly known as the PLM, held its first national convention April 15-17, 1965, at New York City, to organize the PLM into a PLP. The PLP will have as its ultimate objective the establishment of a militant working class movement based on Marxism-Leninism.

The New York Times", City Edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP. The PLP was described as an outgrowth of the PLM. Its officers were identified as MILTON ROSEN, New York President and WILLIAM EPTON of New York and MORT SCHEER of San Francisco, Vice Presidents. A 20-member National Committee was elected to direct the party until the next convention.

According to the article, "The Progressive Labor Movement was founded in 1962 by Mr. Rosen and Mr. Scheer after they were expelled from the Communist Party of the United States for asserting the following the Chinese Communist line."

The PLP publishes the "Marxist-Leninist Quarterly," a theoretical magazine; "Progressive Labor", a monthly magazine; "Challenge", a New York City newspaper; and "Spark", a West Coast newspaper.

The June 1, 1965, issue of "Challenge", page 6, states that, "this paper is dedicated to fight for a new way of life-where the working men and women own and control their homes, factories, the police, courts, and the entire government on every level."

The source advised that the PLP utilizes the addresses of General Post Office Box 808, Brooklyn 1, New York, but also utilizes an office in Room 622, 132 Nassau Street, New York City, where PL publications are prepared.

W.E.B. DU BOIS CLUBS OF AMERICA (DCA)

A source has advised that on October 26-27, 1963, a conference of members of the Communist Party (CP), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are: "it is our belief that this nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-Communism to divide and destroy the unified struggle of the working people."

Over the Labor Day weekend, 1965, the DCA held a conference in Chicago, Illinois, and a new slate of officers was elected to the National Executive Committee (NEC) of the DCA. Since Labor Day, 1965, identities of those serving on the NEC have varied; however, according to a third source as of May, 1966, thirteen of the fifteen members of the NEC were members of the CP in the San Francisco Bay area.

As of July, 1966, the headquarters of the DCA was located at 180 North Wacker Drive, Chicago, Illinois.

On May 3, 1965, a source advised that on June 30, 1964, a group of young people who attended the founding convention of the W.E. DuBois Clubs of America (DCA), met in Chicago and adopted a statement of purpose and constitution forming the DCC as an affiliate of the national DCA.

This source further advised that at a meeting of the Chicago Area of the Midwest Region of the DCA held April 3, 1965, the boundary of the Chicago Area was established to include all of Illinois north of Springfield, Illinois, and all of Indiana. At this meeting, TED PEARSON was elected Area Coordinator.

A second source advised on May 9, 1966, that as of May, 1966, TED PEARSON, Chairman of the Youth Club of the Communist Party (CP) of Illinois, continued to be the Chicago Area Coordinator of the DCA, and the official headquarters is located in the PEARSON apartment, 1808 North Cleveland Avenue, Chicago, Illinois.

The second source advised that there are currently two clubs operating in the Chicago Area, one on the west side and the other on the near north side.
